

Support Your Library!

VOTE! May 18th, 2021

Noon-9pm at Mill Road Elementary

Proposition #3 on the RHCSD ballot

What does the Tivoli Free Library provide for the community?

Programs for children and teens: Storytimes, STEAM programs, crafts, Code Club, Dungeons & Dragons, summer reading program, Battle of the Books, movies, holiday and special events, and much more.

Programs for adults: Crafts, Book Club, financial and health classes, virtual tours, Mahjongg, needlework group, dance classes, food preparation, film screenings, Tarot Club, holiday celebrations, concerts and more.

Access to Technology: public computers, internet/wifi, color copier/scanner, laptops, wifi hotspots.

Materials: Books, books on CD, DVDs, magazines, downloadable e-content including audiobooks, ebooks and film streaming, museum passes, online classes & workshops, and access to millions of items from over 60 libraries in the Mid-Hudson Library System.

Whether in-person or online, the library is a place to gather with neighbors and friends who share a love of community, fun, & lifelong learning.

Why are we asking for increased support?

To meet the ever-increasing demand for library services as the current global health crisis continues, offer a fair and living wage to our staff, and be able to retain our current hours of operation, we need sustainable funding for the future of the library.

How much will it cost?

For the average household, the proposed increase will cost 11.48¢ per month, or about \$1.38 per year.
